ACADEMIC DETAILS

Year	Degree / Board	Institute	GPA / Marks(%)
- - - -	B.Tech Computer Science and Engineering (Data Science)	SRM IST-Kattankulathur ,Chennai	9.05/10 CGPA
2022	RBSE	New Sunrise Public Secondary School	82.4%
2022	RBSE	Pancy Children's Academy	82.2%
2023	NWAC	Northwest Accreditation Commission	77%

PROJECTS

Gym Management System
• Developeda system to manage gym memberships, attendance, and trainer schedules.
• Implemented using Java and MySQL.

Chat Application
• Built a real-time chat application using Python sockets and multithreading.
• Enabled secure communication between multiple clients.

E-Academic Hub
• Designed a platform for academic resource sharing and collaboration. • Integrated frontend with HTML/CSS/JS.
• Cleaned and preprocessed a real-world dataset using Python, Pandas, Matplotlib and NumPy.
• Handled null values, removed duplicates, and performed feature encoding and normalization for ML readiness.

Product Recommendation (Machine Learning)
• Built a machine learning–based product recommendation system using algorithms such as Collaborative Filtering / KNN /
• Analyzed user behavior data and applied ML algorithms to improve recommendation accuracy and relevance.
• Evaluated model performance using metrics like precision, recall, and RMSE to optimize recommendations.

Movie Recommendation System (AI Project)
• Designed an AI-based movie recommendation system using content-based and collaborative filtering techniques.
• Implemented machine learning algorithms to analyze user preferences, ratings, and genres.
• Generated personalized movie recommendations to improve user engagement and accuracy.

TECHNICAL SKILLS

•**Programming Languages:** Proficient in C++, C, Python, Java | Familiar with HTML, CSS
•**Libraries & Frameworks:** TensorFlow, Keras, NumPy, Pandas, Matplotlib, Seaborn, Scikit-learn

Certification and Badges

Machine Learning Fundamentals – Alteryx ·
Introduction to AI – Cisco Networking Academy ·
Databases and SQL for Python - IBM ·
Introduction to Data Engineering – DeepLearning.AI ·
Introduction to Generative AI-Google skills ·
Introduction to Large Language Models-Google skills ·
Introduction to Responsible AI-Google skills ·
Prompt Design in Vertex AI-Google skills
Oracle Cloud Infrastructure 2025CertifiedDataScienceProfessional- oracle
Getting Started with MicrosoftExcel- Coursera
Machine learning - NPTEL
Python Pro Bootcamp - Udemy

HARSH SAINI

COURSES DONE

SEMESTER 1 - GPA(8.5)

Programming for Problem Solving, Environmental Science, Electrical and Electronics Engineering, Communicative English, Constitution of India, Calculus and Linear Algebra, Engineering Graphics and Design, Professional Skills and Practices, and Semiconductor Physics and Computational Methods.

SEMESTER 2 - GPA(8.67)

Introduction to Computational Biology, Object Oriented Design and Programming, Chemistry, Philosophy of Engineering, Physical and Mental Health Using Yoga, German, Advanced Calculus and Complex Analysis, Basic Civil and Mechanical Workshop, and General Aptitude.

SEMESTER 3 - GPA(8.78)

DataStructures andAlgorithms, Operating Systems, Advanced Object Oriented Programming, Fundamentals of Data Science, Design Thinking and Methodology, Professional Ethics, and Transforms and Boundary Value Problems.

SEMESTER 4 - GPA(9.6)

Design and Analysis of Algorithms, Database Management Systems, Artificial Intelligence, Internet of Things, Universal Human Values – II: Understanding Harmony and Ethical Human Conduct, Probability and Statistics, and Social Engineering.

SEMESTER 5 - GPA(9.7)

Integrated Waste Management, Formal Language and Automata, Computer Networks, Machine Learning for Data Analytics, Artificial Neural Networks, Community Connect, Indian Art Form, Discrete Mathematics.

QUALIFYING EXAM

SRM JEE Rank: 547

POSITIONS OF RESPONSIBILITY

- **Event Coordinator-** Planned and executed college events, managing logistics, registrations, and team coordination.
- **Project Coordinator-** Assigned tasks, tracked progress, and maintained documentation for timely project delivery.
- **Technical Lead-**Guidedteam members in implementation, debugging, and system integration.
- **Club / Society Core Members**
- **Badminton-** Intra hostel tournament participant
- **Cricket-**Hostel team captain

EXTRA CURRICULAR ACTIVITIES

- **Sports & Fitness Training** – Followed regular practice schedules, warm-ups, and fitness drills.
- **Event & Match Support** – Assisted in organizing fixtures, scorekeeping, and equipment management.
- **Teamwork & Leadership** – Demonstrated discipline, collaboration, and time management through sports participation.
